## UPDATE #19

### Industry-Wide Labor-Management Safety Committee Task Force (Update 6-1-2020)

Dear Members,

Below is a link to the first phase of the Industry Wide Safety Committee White Paper. The IA, SAG-AFTRA, DGA and Teamsters worked jointly on this. This morning it has been submitted to the Governors of NY and CA, and it will be distributed to governments across the U.S. today. The White Paper contains general guidelines to be used by government officials to incorporate the entertainment industry into any re-opening plans.

The industry is continuing to work on phase 2, which will contain more details specific to the various crafts/areas of work.

Thank you to those who took the classification-specific surveys we sent out last week. The results are being incorporated into our phase 2 document.

Please stay safe and stay well.

With best regards and solidarity,

Cathy Repola  
National Executive Director
